RE : TESTIMONIAL FOR EXCELLENT SERVICE

We wish to express our gratitude for the excellent service rendered to us ever since we started to engage Yong Min's service about 13 years ago. Yong Min's recommendation to upgrade all our laser printers to Ricoh copiers and then further upgrade to the current HP copiers was a right move.

This upgrade has reduced our cost significantly in long run as all the maintenance and repair cost are inclusive in the package. Yong Min's Team has been very professional, reliable and prompt in response to our requests for support especially during copier breakdown.

We believe Yong Min Office Automation Sdn Bhd will continue to grow strongly while keep improving its services. We also believe our current Win-Win relationship with Yong Min will last for many years to come. We are more than happy to introduce Yong Min to other potential corporate clients.
